

AI Terms of Use

General. By using this artificial intelligence AI Solution (“AI”), you agree to these terms and disclaimer. If you do not agree, you should refrain from using the AI. This AI is powered by artificial intelligence and is designed to assist with general business inquiries only. While we strive for accuracy, responses may contain errors or lack complete information. We encourage users to verify any information provided by the AI before taking any action or making any decisions based on the information received and/or reach out to Privacy@tdsynnex.com for additional support or to request human intervention. Users of the AI bear sole responsibility for their interactions and reliance on the information provided; to the extent permitted by applicable law, we expressly disclaim any and all liability for the content shared and shall not be held accountable for any actions, losses, or damages that may result from the use of the AI or information provided.

Your use of the AI. You may not: use the AI if you are younger than 18 years; post, send or share infringing material, defamatory, offensive, intimidating, illegal, racist, discriminatory, obscene or inappropriate content in any form through the AI; use the AI to conduct illegal or immoral activities; attempt to compromise the security of the AI or access confidential information; copy, distribute, modify, reverse engineer, decompile or attempt to extract the source code of the AI or any part that composes it, without our prior written consent.

The AI supports a wide range of languages. As the AI is trained in English and responses are translated, you should verify the translation. For example, it may have difficulty with acronyms, abbreviations and nuances in languages other than English.

Transparency. If you publish or share AI-generated content, please disclose its artificial intelligence origin where appropriate and/or required by law.

Intellectual Property. AI output may not be eligible for copyright protection. You are responsible for ensuring your use of generated content complies with intellectual property laws. All outputs generated by the AI are provided “as is” and may be subject to third-party rights.

Data Privacy. Please do not enter personally identifiable information (PII), sensitive, or proprietary information. Conversations may be retained and monitored by TD SYNEX to improve the tool and address illegal, or otherwise inappropriate interactions. For more information, please consult TD SYNEX Privacy Statement at www.tdsynnex.com/us/en/privacy.html. To exercise your rights under applicable law please submit a request by email to: Privacy@TDSYNEX.com with the subject line stating your request or please click here: Individual Rights Request <https://gdprrequest.tdsynnex.eu/>.
