Docking Station
Product Overview

IOGEAR®
Connect. Create. Innovate.

Transform your laptop or tablet into a desktop replacement with an IOGEAR docking station. Whether you're constantly on the move or always leave it at home, you'll want to make the most of your portable device when it's sitting on your desk, especially if you don't have enough ports.

GUD3C4K4
Dock Pro™ Universal 4K Quad Docking Station

• Connect to four 4K monitors with interchangeable HDMI® and DisplayPort port
• Connect to five high-performance devices with USB-A and USB-C™ ports
• 1 Gigabit Ethernet port, SD/Micro SD reader and audio port
• Compatible with all USB-C computers including Windows® and macOS®
• Dual Power Options: DC jack (120W power adapter and cable included) or Type-C PD charging

GUD3C4K1LS
Dock Pro™ 6-in-1 4K Dock Stand

• Extends one USB-C™ port to six useful ports: 1x HDMI®, 2x USB-A, 1x USB-C for data, 1x USB-C for 100W PD charging and 1x Gigabit Ethernet port
• Supports an external HDMI display up to 4K
• Adjustable viewing angles helps promote better posture
• Fast charging with USB-C PD 3.0 100W charging port
• Lightweight and portable

Latest and Greatest

The best laptop docking stations will turn your laptop into a portable powerhouse — whether you're constantly on the move or always leave it at home, you'll want to make the most of your laptop when it's sitting on your desk, especially if you don't have enough ports.

Plug & Play

GUD3C4K3
Dock Pro USB-C™ Triple HD Dock with Power Delivery 3.0

- Quickly expand your laptop USB-C port up to 13 ports
- Charge laptop & devices with up to 100W pass-through
- Triple video outputs available via 2x HDMI® & 1x DisplayPort 1
