# ACER FOR EDUCATION

Advance the Classroom

Supported by empowering tools, only the sky is the limit for students and teachers. Acer for Education solutions are designed to feature all the performance, durability, and versatility education devices require, matched with ease of management and affordability.

DESIGNED FOR SCHOOLS

Affordable, durable, secure, and simple to deploy, Acer for Education devices are designed to enable teachers to unlock every student's potential with a tailored portfolio.

- Windows classroom device solutions
- Chrome classroom device solutions
- Display solutions
- Complementary accessory solutions

RUGGEDIZED SOLUTIONS

Classrooms are busy places, and Acer's rugged devices are designed to keep both students and teachers focused on learning – and not trying to troubleshoot their device.

- Certified military-grade durability
- EasyFix keyboard 2.0, anchored keys, spill-resistant keyboard
- Moisture-resistant touchpad, reinforced ports, two rubber bumpers
- All-day battery life

MIL-STD 810H Certified

VERSATILE

Boost productivity and performance in the classroom with next-generation hardware, intuitive designs, and highly functional applications.

- Convertible and portable designs
- World-facing cameras
- Active stylus
- LTE connectivity

ECO-FRIENDLY

Acer for Education devices thoughtfully combine sustainable materials and durable designs that are easy to upgrade, reducing needless waste and schools' environmental footprint.

- Green packaging
- OceanGlass™ touchpads
- Sustainable PCR plastic integration

AWARD-WINNING SERVICE & SUPPORT

With over 40 years of experience in the computing world, Acer is dedicated to offering outstanding assistance, technical support, and free on-demand training.
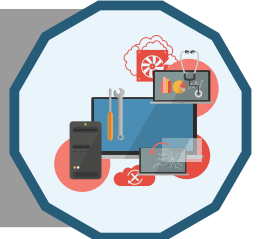

- Tenured level 2 technical support

EDUCARE

Acer Educare delivers value-added services, including battery replacements, extended warranty, and more, to reduce operating costs and improve device productivity.

- Educare Mobility Suite
- Educare Desktop Suite
- Educare Projector Suite

ESPORTS

Acer brings Esports to schools to allow teachers and students to leverage the potential of powerful, innovative gaming solutions.

- In-depth content and webinars
- Access to PLANET9
- Acer Esports DaaS mobile and desktop bundles
- Predator and Nitro gaming solutions

K-12 SOLUTIONS

Drive innovation and personalize learning in K-12 schools with Acer's multi-brand product families and wide range of eco-friendly devices. With a robust product portfolio and unrivaled service and support, Acer has a solution suited for your classroom and budget.

O1 | WINDOWS CLASSROOM

With simple set-up and management for a personalized classroom experience, Acer notebooks running Windows 11 are designed to empower educators and engage students of all ages.

Microsoft Intune for Education
Microsoft Intune for Education helps teachers and students stay productive and keeps school data secure with simplified device and app management.

Windows Autopilot
Windows Autopilot sets up and pre-configures new Acer notebooks, making them classroom-ready upon arrival with no IT effort required.

O3 DISPLAYS

Acer for Education monitors are designed to complete your learning experience with bright and clear displays. Optimal colors, high contrast ratios, and touch options make Acer displays the go-to precise and responsive solution for the classroom.

O2 CHROME CLASSROOM

With Acer Chromebooks, educators and students can deepen classroom connections and foster meaningful learning experiences from anywhere, anytime.

Chrome Education Upgrade
Chrome Education Upgrade makes it easy to tailor the ChromeOS environment around the unique needs of your school community, with powerful management capabilities, fast-tracked deployment and onboarding, and advanced security – without the hassle of managing upgrades.

Zero-Touch Enrollment
With zero-touch enrollment, IT managers can drop-ship and automatically enroll Acer Chromebooks into your school domain as soon as devices are connected to the internet.

O4 ACCESSORIES

Enhance and complement your experience inside and outside the classroom with our wide range of accessories fully compatible with Acer devices, including mice, sleeves, styluses, cameras, docks and stands, cables and dongles.
