

Beats wireless headphones

Lineup

Beats wireless in-ear, on-ear, and over-ear headphones offer an incredible experience for anyone who enjoys listening to their favorite playlist on iPhone, watching movies on iPad, creating music on Mac, and more.

All Beats wireless headphones integrate optimal sound with beautiful design and deliver an unparalleled wireless experience with amazing power efficiency. Customers can enjoy rich bass, detailed midrange, and crisp, clear highs in their music—the way the artists intended. The Beats wireless lineup has something for everyone, from earphones that fit in a pocket to headphones that block out ambient noise. They’re perfect for customers who want great sound on the go, at home, or in the studio.
