- ▶ Print up to 7,000 labels per day
- ▶ 300 and 600 dpi print resolution offerings
- ▶ Prints on labels as small as 0.125 in. with precision
- ▶ ESD protected printer models available
- ▶ Print on the widest range of materials

Safety and Facility Solutions

Create a safer, more efficient workplace

Spill Control

Proactively clean up leaks under equipment with absorbent pads and rolls or keep spill kits on hand for rapid response to oil, chemical and biohazard spills.

Pre-printed Floor Tapes

Extremely durable ToughStripe® floor marking tapes are made of rugged polyester with ultra-aggressive adhesive. Pre-printed messages help communicate common potential hazards.

Pipe Markings

Pipe markers let workers trace process problems and find solutions faster. Satisfy safety and ASME standards with a wide range of materials, colors and sizes.

Signage

Clearly guide, warn and protect personnel with comprehensive signage solutions for exists, fire, warnings, instructions and more.
