

# Close the Cybersecurity Gap With Thales

## Our Future is Bright Meeting

Meet with your TD SYNEX Business Development Manager for a Thales welcome call.

Our future together is bright. After our meeting, we will send you a pair of Goodr Sunglasses.

## Knowledge is Power

Learn more about TD SYNEX and the opportunity to secure application, data and identity cybersecurity gaps with Thales.

After the presentation, you will receive a Tuscany wireless charging mouse pad.

## Account Mapping

Now that your team is equipped with the knowledge and the skills to succeed with Thales, let's start creating demand!

- Conduct an account mapping session with TD SYNEX and your Thales channel manager

## Thales Certification Training

Complete your Data Security and/or Identity certifications and earn a Thales and TD SYNEX Kit.
