DELL Technologies
PARTNER PROGRAM

Dell Technologies Data Protection DD6410

- Offered in 12TB - 40TB configurable options that can scale up to 256TB
- 55:1 deduplication guarantee
- Security with data invulnerability architecture
- Built-in Cyber Resilience

The Power Protect Advantages

- Faster performance: up to 2x faster restores
- Accelerated Protection: Up to 2.4x faster backups & Industry-leading multi-cloud protection
- Better Efficiency: Up to 3.2x faster replication & Operational simplicity

Why Smart Selection?
This release provides customizable DD3410 configurations priced at aggressive pre-approved discount levels (priced to win), allowing added front-end margin for partners while reducing the need to go to special pricing.

Offers subject to change, may not be combinable with all other offers, discounts, or rebates. Taxes, shipping, and other fees apply. Offer applies on new quotes generated in DSC or Premier using respective order codes. Dell or EMC reserves right to cancel orders arising from pricing or other errors. If you will purchase from a Dell authorized distributor, you understand that the prices and discounts shown are indicative and that final pricing will be as agreed between you and your distributor. Distributors are free to set their own resale prices. Dell is not responsible if a distributor chooses not to pass on any promotional pricing or discount. Offers valid on orders from 08/03/2026 – 10/30/2026.
