## Digital Bridge

Microsoft Apps Plugin

Your TD SYNNEX Data, Now in Outlook & Teams.

Work stays where you work. The **Digital Bridge Microsoft Apps Plugin** streams TD SYNNEX pricing, inventory, promos, order tracking, invoices, subscriptions, and the all-new My Business Dashboard into Outlook and Teams. One sign-on, zero context switching—just the data and people you need in the apps you already use.

Features That Empower Your Productivity

One Install, Two Apps
One plugin, one sign-on, shared history. Pick up in Outlook exactly where you left off in Teams.

Instant Part Search
Type a MFG Part #. Get live price, promos, inventory, and logistics instantly.

Lead Time Visibility
Easily view lead times for products directly within Microsoft Teams to help your team quote and plan more accurately.

Order List & Filtering
Filter by PO number, status, or date to streamline your daily operations and quickly locate what you need.

My Business Dashboard
View credit details, order summaries and snapshots of your TD SYNNEX programs, such as StreamOne Stellr.

Order Status & Invoices
Paste a PO #. Track shipments and download invoice PDFs in seconds.

Enhanced Product Cards
Quickly access detailed product specs, availability, and pricing insights at a glance.

Customizable Home Page
Select the home page within the app based on the tab you use the most.

Find Contacts
Direct phone / email for your Credit, Sales and Customer Care teams.

Manage Subscriptions
Renewals, usage, and status on licenses from StreamOne Stellr.

Invoice and Serial Number Export
Export detailed invoice records by serial number to simplify info tracking.

Multi-Language Support
Seamlessly switch between supported languages to ensure a more accessible, personalized experience across global teams.

The New Unified Microsoft Apps Plugin

Microsoft's unified "Apps" framework lets one plugin run everywhere Outlook and Teams do – desktop, web, and mobile – so every TD SYNNEX partner gets the same fast experience, no matter which Microsoft app they open first.
