

Google Pixel
for Business

Pixel 11 Pro Fold

**The big screen Pixel
experience made for helpful
productivity during your
workday.**

The only phones engineered by Google designed for Gemini Intelligence, helping deliver effortless multitasking and proactive, personal experiences during your workday. [□]

Introducing Pixel 11 Pro Fold, the latest Pixel device for business. Designed to be smart, secure, and productive, Pixel 11 Pro Fold helps improve efficiency by anticipating needs and handling routine work on your behalf. Featuring an immersive 8-inch Super Actua Flex display and the power of the Google Tensor G6 chip, Pixel 11 Pro Fold transforms into a powerful mobile workspace giving your entire team the flexibility to stay productive from anywhere. [†]

AI-driven Productivity

Helpful AI, so you spend
less time on routine tasks.

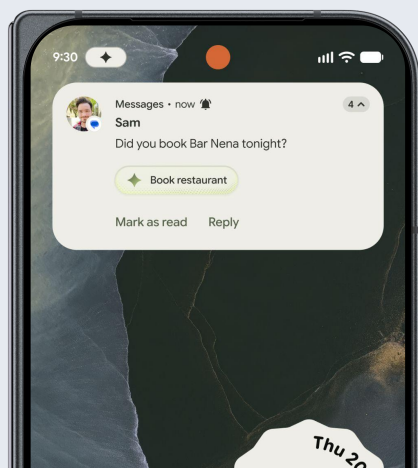

**Automate
repetitive digital
chores and free
workforces up.**

Task assistance allows you to delegate digital chores like booking rides or preparing orders. You stay in control with progress updates directly on your home screen.

III

Gemini Intelligence can anticipate the info you need and help you take action, letting you breeze through daily busywork with one tap. Let it help find a meeting spot, or add a texted invite to your calendar with a single tap.□

**Break down language barriers and
boost global collaboration.**

Live Translate for Media on Pixel 11 Pro Fold helps mitigate language barriers by instantly translating videos, podcasts, and voice messages into select languages in real time. Combined with Tabletop Mode, you can fold Pixel 11 Pro Fold to a 90 degree angle for a hands-free experience while viewing translated media.[Ⓐ]

Live Translate for calls on Pixel 11 Pro Fold helps your team communicate naturally by translating phone conversations in real time using the caller's actual voice. This ensures that international collaborations feel authentic and productive, allowing your workforce to break down language barriers during critical calls without needing an external translator. II

**Record and retrieve
critical information
seamlessly.**

The Pixel Recorder app automatically records and transcribes speech in real time, without audio ever leaving your phone.[Ⓐ] It allows you to give meetings, important conversations, presentations, and training sessions your full attention as you don't have to capture notes as you go.

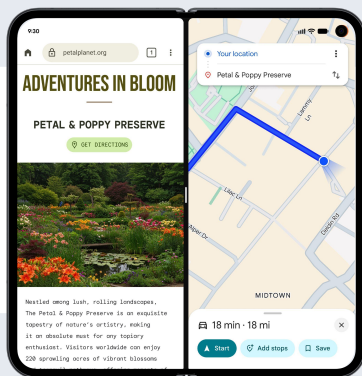

Effortless Multi-tasking

For smoother workflows
specifically on the immersive,
unfolded screen of Pixel 11 Pro Fold.

Built to help you tackle complex, multi-app tasks.

Unfolded, the 8-inch **Super Actua Flex Display** transforms your mobile experience into an expansive, immersive workspace, providing a canvas for reviewing detailed documents and managing side-by-side applications.⁺

Split Screen allows you to resize apps or overlay windows to effectively view three different screens at once.^Δ For fast multitasking, turn any app into a floating interface for quick interactions, allowing you to manage up to five active bubbles at once to support your workflow.¹⁰

With **Desktop Mode**, you can connect Pixel 11 Pro Fold to an external display to unlock an even more expansive workspace, allowing you to move freely between apps, content, and critical tasks – desktop-like functionality in your pocket.[→]

Share content or review shots on the go with ease.

Instant View keeps recently taken images next to the camera app, so employees can check they've captured what they need to in real-time.⁺

Join meetings and collaborate hands-free with **tabletop mode**. Open Pixel 11 Pro Fold on a surface to watch content or take video calls, so you can stay productive without needing a separate stand.

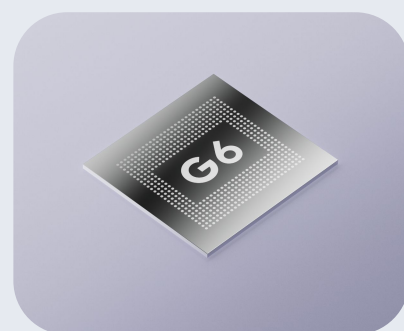

Privacy, Safety & Security

Help keep business data safe, private,
and secure with Pixel 11 Pro Fold.

Comprehensive defense against sophisticated hardware-level attacks.

Google Tensor G6 works alongside the all-new **Titan M3™ security chip** to help protect your sensitive data using post-quantum cryptography, making your device resilient to attacks even as digital threats evolve.[‡] You can be confident it meets the same rigorous protection guidelines trusted by governments and carriers.[‡]

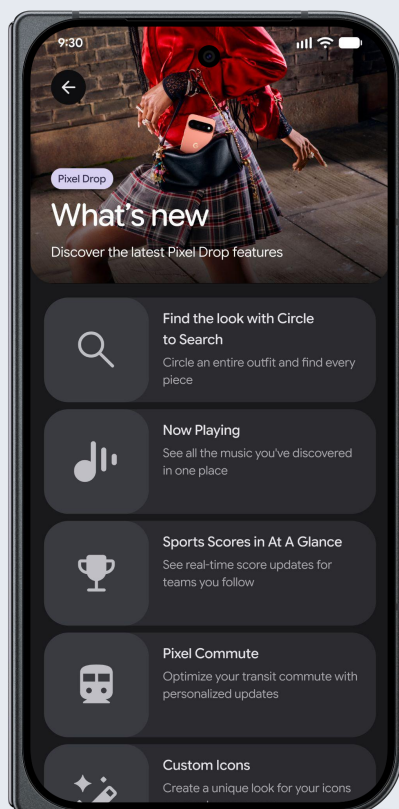

Help protect corporate data even when devices are stolen.

Android Theft Protection

keeps devices safe if lost or stolen. Theft Detection Lock uses machine learning to auto-lock if theft is detected, Offline Device Lock secures it if disconnected from the network, and **Remote Lock** lets employees lock their device from anywhere at android.com/lock using just their phone number.

7 years of Pixel Drops

Ensure that your business devices improve over time and stay protected against evolving threats with 7 years of OS and security updates.^Δ

Continuous security protection across corporate and employee-owned devices.

Android Enterprise Device

Trust allows businesses to continuously verify device security posture before granting access to sensitive company data.^{*} This reduces risks from outdated patches or on-device malware on both managed and unmanaged phones.

Designed To Perform

An advanced Pixel experience
with Pixel 11 Pro Fold.

Handle complex multi-tasking and help teams stay productive.

Pixel 11 Pro Fold is powered by the **Google Tensor G6**, our most powerful chip yet, delivering 50% more TPU compute and an upgraded CPU delivers up to 20% better power efficiency.* Pixel 11 Pro Fold can handle professional workloads and heavy multitasking.

Avoid costly downtime with hardware that's built to last.

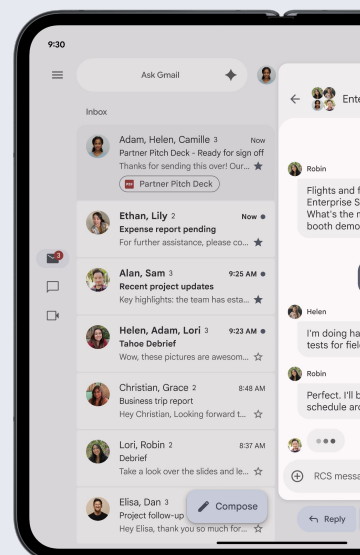

Crafted with resilient materials for the modern workforce, Pixel 11 Pro Fold features a premium design made with 100% recycled spacecraft-grade aluminum.^{1b} It is built to last with an IP68 water and dust resistance rating and Corning® Gorilla® Glass Victus® 2 for excellent scratch and damage resistance.^{4,1}

Keep workdays flowing with reliable connectivity and battery life.

Get the most power-efficient modem ever on a Google Pixel, delivering a reliable connection and strong signal reception at fast speeds. Minimize downtime with a smarter battery life that lasts over 24+ hours and **Extreme Charging Mode**, while built-in **Pixelsnap** magnetic technology ensures compatibility with Qi2 chargers and MagSafe™ accessories.^{4,1b,1X}

Boost outdoor productivity with an expansive display.

Pixel 11 Pro Fold's 8-inch internal Super Actua display with up to 3,600 nits peak brightness is sharp and vibrant, with better readability outdoor, even in direct sunlight.^{2,1} The display also features a variable refresh rate between 1 and 120 Hz for smooth performance and better battery efficiency.^{VIII}

Technical Specs

Colors

- Olive
- Obsidian

Processor

- Google Tensor G6
- Titan M3™ security chip

Dimensions and weight

- Dimensions Folded: 6.1 in (height) x 3.0 in (width) x 0.4 in (depth)
- Dimensions Unfolded: 6.1 in (height) x 5.9 in (width) x 0.2 in (depth)
- Weight: 8.4 oz

Battery and charging

- Battery Life: Over 24+ hours of battery life
- Battery Capacity: Typical 4806 mAh (minimum 4658 mAh)
- Fast Charging: Fast charging – Reach 50% in about 30 minutes with ultra-fast wired charging. Or ditch the cables entirely and use Pixelsnap to get a 20% faster charge wirelessly.
- Extreme Charging Mode: Turn on Extreme Charging Mode to focus your phone’s performance entirely on powering up, and get an ultra-fast boost when you need it most.
- Wireless Charging: Pixelsnap wireless charging (Qi2-certified) up to 25W

Camera

- 48 MP wide
- 10.5 MP ultrawide
- 10.8 MP telephoto
- 10 MP front (outer)
- 10 MP front (inner)
- 30x Super Zoom
- 4K video recording at 24/30/60 FPS

Authentication

- Fingerprint Unlock
- Face Unlock
- Pattern, PIN, password

Materials

- Cover Glass: Ultra-durable glass ceramic cover glass
- Back and Frame Materials: Ultra-durable composite matte black with satin finish spacecraft-grade aluminum frame
- Hinge Material: Multi-alloy steel with an aerospace-grade high-strength aluminum alloy cover
- Recycled Materials Content: The aluminum in the housings and hinge cover is 100% recycled content
- IP Rating: IP68 dust and water resistance

Security

- Multi-layer hardware security: Tensor security core, certified Titan M3™ security chip to help provide future proof security using post-quantum cryptography, and Trusty (Trusted Execution Environment)
- Spam and scam protection in Google Phone and Messages
- Anti-malware and anti-phishing protection
- VPN by Google at no extra cost
- 7 years of OS, security, and Pixel Drop updates

Display

- Outer: 6.5-inch Super Actua display
- Inner: 8-inch Super Actua Flex display
- Brightness: Up to 2400 nits (HDR) and up to 3600 nits (peak brightness)
- Refresh Rate: Smooth Display (1-120 Hz)

Memory and storage

- 16 GB RAM
- 256 GB
- 512 GB/1 TB with Zoned UFS

Disclaimers

- III Available on Gemini app. Works with compatible accounts and some features may not be available based on corporate account settings and other factors. Available for select countries and languages to users 18+. Check responses.
- ‡ Works with compatible accounts and some features may not be available based on corporate account settings and other factors. Available for select countries and languages to users 18+. Check responses.
- ‡ Screen has rounded corners. When measured diagonally as a rectangle, external screen is 6.5 inches (162mm) and internal screen is 8 inches (204 mm). Actual viewable area is less. Dimension may vary by configuration and manufacturing process.
- Ω Available on select devices, languages, and countries. Works with compatible accounts and some features may not be available based on corporate account settings. Check responses for accuracy.
- ⌘ Theft Detection Lock, Offline Device Lock and Remote Lock requires Android 10+ and an internet connection. Android Go devices are not supported. Support may vary based on your device model. The user must be using the phone while it is unlocked.
- Requires compatible apps.
- △ Pixel updates for 7 years from when the device first became available on the Google Store in the US. See g.co/pixel/updates for details.
- ✱ Device Trust from Android Enterprise solutions are built and offered by third-party providers integrating into the Android Management API. Exact features may vary depending on third-party integrations. Access on unmanaged devices requires user consent to use the Android Device Policy app. Device Trust from Android Enterprise is supported on Android 10 and above.
- ⌘ Requires compatible apps; limit 5 apps at a time.
- Available only on Pixel 8 and newer mobile devices. Requires USB-C DisplayPort for external monitor connection.
- ℔ Recycled aluminum is at least 10% of product based on weight.
- ⌘ Designed to comply with dust and water protection rating IP68 under IEC standard 60529 when each device leaves the factory but the device is not water or dust proof. The accessories are not water or dust resistant. Water resistance and dust resistance are not permanent conditions and will diminish or be lost over time due to normal wear and tear, device repair, disassembly or damage. Phone is not drop/tumble proof and dropping your device may result in loss of water/dust resistance. Damage from drops, tumbles, and other external forces are not covered under warranty. Liquid damage voids the warranty. See g.co/pixel/water for details.
- ⌘ Screen has rounded corners. When measured diagonally as a rectangle, external screen is 6.5 inches and internal screen is 8 inches. Actual viewable area is less. Dimension may vary by configuration and manufacturing process.
- VIII Not available for all apps or content.
- ⌘ Not available in all languages or countries. Not available on all media or apps. See g.co/pixel/livetranslate for more information. Translation may not be instantaneous.
- ⌘ CORNING, GORILLA and VICTUS are registered trademarks of Corning Incorporated.
- ⌘ Not available in all languages or countries. Not available on all media or apps. See g.co/pixel/livetranslate for more information. Translation may not be instantaneous.
- II Results may vary. Check responses for accuracy. Available in select countries and languages.
- ‡ Battery life depends upon many factors and usage of certain features will decrease battery life. Actual battery life may be lower. Over time, Pixel software will manage battery performance to help maintain battery health as your battery ages. See g.co/pixel/battery-tests and g.co/pixel/batteryhealth for details.

Disclaimers

- Ⓐ Compatible with Pixel 11, Pixel 11 Pro, Pixel 11 Pro XL, Pixel 11 Pro Fold and Pixel 10 Pro XL for charging rates of up to 25W, and a rate of up to 15W for Pixel 10, Pixel 10 Pro, and Pixel 10 Pro Fold. See g.co/pixel/pixelsnap for more details.
- Ⓣ Chargers and magnetic accessories each sold separately.
- * Average based on internal data using pre-production devices in lab-controlled conditions. Actual results may vary.
- Ⅷ Not available for all apps or content.
- ✱ Wired charging rates are based upon use of the Google 45W USB-C® Power Charger plugged into a wall outlet. Actual results may be slower. Adapters sold separately.
- Ⓜ Requires compatible device running Android 15. Feature availability may vary by country. See g.co/pixel/scam-detection-help for more details. Scam Detection is not 100% accurate and scammers constantly change tactics. Always use caution when answering calls from unknown numbers.
- Ⓡ Availability of features may vary by market and device.
- Ⅳ Restrictions apply. Some data is not transmitted through VPN. Not available in all countries. Use of VPN may increase data costs depending on your plan. See g.co/pixel/vpn for details.
- Ⅴ HDR brightness measured at 100% on-pixel ratio. Peak brightness measured at 5% on-pixel ratio.
- Ⅷ Dimensions and weight vary by configuration and manufacturing process. Depth measurement excludes camera bump.
- ↓ Estimate of typical capacity based upon testing and expected cell behavior.
- Ⓡ Wired charging rates are based upon use of the Google 45W USB-C® Power Charger plugged into a wall outlet. Actual results may be slower. Adapters sold separately. See g.co/pixel/battery-tests and g.co/pixel/batteryhealth for details. Average wired charging speed is approximate.
- ⊖ Storage specifications refer to capacity before formatting. Actual formatted capacity will be less.
- Ⅸ Reflects megapixels for camera sensor. Camera image resolution output may be less when using default settings.
- ∞ Reflects megapixels for camera sensor. Camera image resolution output may be less when using default settings. 120x Pro Zoom results may vary.
- Ⓜ Common Criteria certification for hardware and cryptographic library (CC PP0084 EAL4+, AVA_VAN.5 and ALC_DVS.2). See g.co/pixel/certifications for details.
- ↑ Wired charging rates are based upon use of the Google 45W USB-C® Power Charger plugged into a wall outlet. Actual results may be slower. Wireless charging with Pixelsnap requires a Qi 2.0-certified wireless charger. Adapters sold separately.
- Ⓢ Compared to Pixel 10 Pro Fold using Google Pixelsnap charger with 45W USB-C Power Charger (sold separately) as power source.
- Ⅹ Compared to earlier Pixel phone models without Adaptive Battery.
