## HPE ARUBA NETWORKING

### 5 for 3 promotion

Customers can get 5 HPE Aruba Networking access points for the price of 3!

#### Customer offer

- End users in the US & Canada can buy 5 Aruba access points for the price of 3.
- Effective November 1, 2025 - January 31, 2026 or while supplies last.
- Maximum 50 access points per customer.
- See the list of eligible models

#### Boost your customers WiFi and IoT experiences , expand network capacity, observability, and security with AI-powered management.

Aruba wireless access points boost IT, user, and IoT experiences with enterprise connectivity that's intelligent, fast, and secure.

- Cover your customers bases - Aruba Wi-Fi 7, Wi-Fi 6 and Wi-Fi 6E APs include enterprise, branch, plug-and-play simplicity for remote workers, with a wide-range of use cases and price points.
- Simplify network operations - Built-in network intelligence supports advanced capabilities like AI-powered RF optimization, dynamic segmentation, service assurance, and smart management options for improved IT and user experiences.
- Secure the network - WPA3 and Enhanced Open improve user and guest encryption, while PEF uses role-based access control and DPI to isolate and segment traffic. Aruba ESP enables Zero Trust Network Security for devices and IoT.
- Help your customers upgrade their network and improve their agility to be ready for what comes next! There's no better time than now, when they can buy 5 of our Cloud-ready Access Points for the price of 3
