**Questions:** For more information regarding TD SYNnex's Poly Video Try and Buy Program or service offerings, please contact our [TD SYNnex HP-Poly team](#).

### Program Details:

- TD SYNnex will allow an end user to purchase a qualifying Poly Video solution and try it for **up to 60 days**
- If, during the 60 days, the end user decides to keep the system, fabulous!
- If, during the 60 days, all the conditions are met, and the end user decides to return the system, TD SYNnex will allow the unit to be returned.

### Terms & Conditions:

- Maximum of **two** eligible units under Poly Video Try & Buy program, per end user client opportunity
- If unit is a Poly Microsoft Teams Room system, then the Microsoft Teams Rooms Premium License is the *only* license allowed during the trial
- TD SYNnex Reseller Partner to complete and submit Try and Buy Opportunity Qualification Form to TD SYNnex AM team with quote request and PO
- Reference TD SYNnex SPA "**TDSYNnexEXCLUSIVET&B**" on quote and PO
- If all conditions are met, and the end user would still like to return the system during the 60 days, the system must be in good working condition
- Open box returns are handled as reseller partner account dictates
