Smarter technology for all **Lenovo**

Lenovo Business Partner use only.

Elevator Pitch

Expand Your Customer's Imagination

Lenovo's ThinkBook P series notebooks unlock new possibilities with their powerful performance, serious graphics, and sleek, lightweight build. Perfect for creators and doers, the ThinkBook P devices were built for intense multimedia work, such as photo/video editing, animation, and design. ThinkBook P notebooks deliver breathtaking graphics, a stunning display, and high-performance processing, along with a suite of smart features intentionally designed to enhance modern collaboration, multi-tasking, and mobility.

 Windows 11

ThinkBook 14p Gen 3

See More Productivity

Users will sail through their workday, no matter how intense the task, with the powerful processing, faster wireless connectivity, and innovative performance modes of Lenovo's ThinkBook 14p Gen 3. A bigger display comes packed with advanced technology to make visuals crisper, richer, and more lifelike than ever before. In between creative work, users will enjoy smoother workflows, better conferencing, and easier collaboration with a range of smart features built for modern work.

1 Optional
 2 RapidCharge Pro—charge up to 50% in 30mins
 3 Requires Skype for Business or Microsoft Teams account, not pre-installed by Lenovo
