

ThinkBook X Series

Unthinkable business performance built to move.

Sales Battlecard

This document contains a summary of the main selling points for Lenovo ThinkBook X Series devices. For any additional questions, please contact your Lenovo Channel Account Manager.

Target Audience

Business Executives

- Confident, career-focused, appreciate style and good design
- High CPU performance needs
- Replace PCs less often than most
- Seamless mobility is a must

Customer Benefits

User-Centric Innovation

From Intelligent Cooling to integrated smart power on fingerprint readers.

Stylish Mobility

Slimmest ThinkBook in our portfolio, modern, and environmentally conscious.

Uninterrupted Workflow

Preserve productivity with superior extended battery life.

Powerful Processing

Premium hardware delivers unmatched performance.

Smarter technology for all **Lenovo**

Lenovo Business Partner use only.

Elevator Pitch

Give Customers Freedom to Move

New ThinkBook X devices don't sacrifice performance for their sleek, ultra-thin and ultra-portable design. The lightweight business leader is purpose-built for unparalleled productivity, prioritizing PC performance, top hardware, extended battery life, and a slim build that makes it easy to take anywhere the workday requires.

 Windows 11

ThinkBook 13x Gen 2

Full Speed Ahead

Packed with power, built for a lifestyle that never slows down. The ThinkBook 13x Gen 2 delivers the long-lasting performance and stylish mobility today's achievers need. Customers will enjoy the powerful processing and thoughtful innovations that make hybrid workflows more seamless, such as lightning-fast connectivity, hands-free voice typing, and enhanced audiovisuals for better conferencing.

 Windows 11

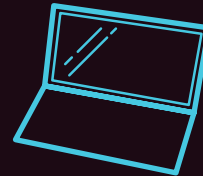

Power Up Productivity

Your customer's to-do list never stops, but neither does the **12th Gen Intel® Core™ i7 processor**. Equipped with AI-powered features and **Intel® Evo™ platform**, the ThinkBook 13x Gen 2 boosts productivity.

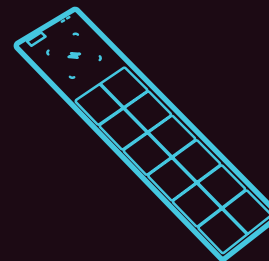

Protect What Matters

Sensitive information stays secure, thanks to the key data encryption of a discrete **Trusted Platform Module (dPTM)**, while a physical camera shutter and **Glance** by Miramatrix technology offer superior privacy.

See More, Do More

Featuring a **91% screen-to-body ratio (STBR)** and **unique 16:10 aspect ratio**, the display offers more screen space in a compact notebook and is **TÜV Rheinland Eyesafe™** certified to reduce eye fatigue, even on the longest workday.

Always On

Included **Wireless Charging Mat** supports wireless charging for the laptop and other devices, like smartphones, that support Qi charging.
