

# EXPLORE LOGITECH'S ACCESSORIES OPTIMIZED FOR APPLE

Award-winning accessories that are conceived, designed, and built for everything Apple.

logitech®

## THE POWER OF MX. OPTIMIZED FOR MAC.

MORE SPEED, MORE PRECISION, MORE PERFORMANCE.

The MX Series for Mac has been designed, developed, and engineered with Mac users in mind. MX Master 3 for Mac and MX Keys for Mac are finished in an unmistakable Space Gray while MX Anywhere 3 for Mac is available in in Pale Grey. All three products deliver more speed and precision you ever thought possible. Combined, they make the perfect pair for your iMac, MacBook, and iPad setup.

### CRAFTED FOR DIGITAL CREATIVES

The MX Series for Mac is designed for advanced creative professionals. Easy to use and packing a powerful performance punch, Logitech's products empower users to reach their full potential.

## ACCESSORIES MASTERED FOR MAC

### MX KEYS FOR MAC

CRAFTED FOR EFFICIENCY, STABILITY, AND PRECISION

#### DID YOU KNOW?

Decades of Logitech expertise have gone into designing Perfect Stroke keys. Spherical keys match the roundness of fingertips and provide a natural feeling of accuracy wherever they're stroked.

### MX MASTER 3 FOR MAC

INSTANT PRECISION AND ULTRA-FAST SCROLLING

#### DID YOU KNOW?

Logitech's Darkfield™ 4000 DPI sensor enables tracking on any surface - even glass. This makes the MX Master 3 faster and 5x more precise than a regular Logitech mouse<sup>1</sup>.

### MX ANYWHERE 3 FOR MAC

ULTIMATE VERSATILITY, REMARKABLE PERFORMANCE

#### DID YOU KNOW?

The MX Anywhere 3 MagSpeed wheel automatically shifts from line-by-line scrolling to free-spinning when you scroll faster allowing users to move up to 1,000 lines in a second.

- DESIGN:** Perfect stroke keys with rounded key shapes ensuring every stroke is fluid, natural, and accurate
- PERFORMANCE:** Reduced typing noise and a superior tactile response
- CUSTOMIZATION:** Customizable row of Fn keys that can be tailored to specific creative workflows
- PRECISION AND COMFORT:** Matte surface coating ensures fingers glide effortlessly across the keyboard
- WORK ANYWHERE:** Backlight for bright and sharp characters even in the dark
- EASY-SWITCH PAIRING:** The press of an Easy-Switch™ button removes the steps needed to pair, allowing users to easily move between typing and scrolling on their Mac, iPad, or iPhone
- USB-C TO USB-C RECHARGING:** Use MX Keys for up to 10 days on a full charge, or up to 5 months with backlighting turned off<sup>3</sup>
- SMART CONTROLS:** Smart illumination use proximity sensors to detect hand movement, then fades to save power when the user leaves
- CONNECTIVITY:**  

- DESIGN:** Maximum comfort with a palm-shaped silhouette
- PERFORMANCE:** Ultra-quiet and intuitive with customizable gesture buttons
- CUSTOMIZATION:** Logitech software allows customizations for main and side scrolling for a more intuitive and faster workflow
- PRECISION AND COMFORT:** MagSpeed™ Electromagnetic scrolling so precise it can stop on a pixel
- WORK ANYWHERE:** Precision tracking on virtually any surface - even glass<sup>2</sup>
- EASY-SWITCH PAIRING:** The press of an Easy-Switch™ button removes the steps needed to pair, allowing users to easily move between typing and scrolling on their Mac, iPad, or iPhone
- USB-C TO USB-C RECHARGING:** Stay powered with MX Master 3 for up to 70 days on a full charge with three hours of use from a one-minute charge<sup>3</sup>
- SMART CONTROLS:** Switch desktops, launch Mission Control, and open Launchpad by simply holding the gesture button
- CONNECTIVITY:** 

- DESIGN:** Low profile, compact design contoured to the shape of your palm finished in a modern Pale Grey
- PERFORMANCE:** A machined steel wheel offers premium tactility and a dynamic inertia you feel but don't hear
- CUSTOMIZATION:** Work faster with predefined customizations optimized for your favorite apps, like single button click for mute and video play back in Zoom or Microsoft Teams
- PRECISION AND COMFORT:** The near-silent MagSpeed™ Electromagnetic can scroll 1,000 lines a second while silicone side grips offer maximum comfort
- WORK ANYWHERE:** Designed for ultimate portability and go-anywhere comfort, the MX Anywhere 3 for Mac tracks on virtually any surface, even glass<sup>2</sup>
- EASY-SWITCH PAIRING:** Pair your MX mouse with up to three devices like a laptop, desktop or tablet and switch between them with the press of an Easy-Switch™ button
- USB-C TO USB-C RECHARGING:** Enjoy uninterrupted productivity for up to 70 days on a full charge and three hours from a one-minute charge<sup>3</sup>
- SMART CONTROLS:** Perfectly placed buttons enable you to move back and forward, while the mode shift button allows manual toggling between Ratchet and Free-Spinning
- CONNECTIVITY:** 

# K380: OPTIMIZED FOR EVERYTHING APPLE

SOPHISTICATED FUNCTIONALITY THAT POWERS CREATIVE PERFORMANCE

The K380 for Mac delivers a design forward compact layout, bringing all the comfort and convenience of desktop typing to your Apple devices. Its compact design makes it perfect for small spaces and on-the-go creatives – who'll love its lightweight portability. Perfect for multi-task typing on your MacBook, iPad, or iPhone, the K380 offers a natural, fluid typing experience thanks to scooped, low-profile scissor keys on a familiar Mac layout.

## K380 MULTI DEVICE KEYBOARD

COMPACT COMFORT, MINIMLAIST DESIGN

- DESIGN:** A compact Apple-specific keyboard fits seamlessly into the Apple ecosystem and elevates the Mac experience
- PERFORMANCE:** Fluid, quiet typing on a flow-enabled keyboard
- CUSTOMIZATION:** Customizable Mac keys for favorite shortcuts
- EASY-SWITCH PAIRING:** Remove the steps needed to pair with Easy-Switch™, and enjoy multi-task typing with your MacBook, iPad, or iPhone.
- BATTERY LIFE:** Battery-saving sleep mode with two years worry-free battery life
- SMART CONTROLS:** Set battery notifications with Logitech Options software
- CONNECTIVITY:** 

### DID YOU KNOW?

K380 offers a more ergonomic way of working.

Its extra-small footprint allows the mouse to be placed closer to the keyboard, for less arm reaching and better body posture.

## LOGITECH OPTIONS SOFTWARE ENHANCES CREATIVE WORKFLOWS WITH MICE AND KEYBOARDS.

Logitech Options software offers countless customization options with the most popular desktop applications. Photoshop creatives can easily adjust brush sizes, Excel users can swiftly move across large spreadsheets, and web surfers can quickly navigate between tabs with this simple to use free software.

### ONE FLOW ACROSS MULTIPLE COMPUTERS

Effortlessly transfer documents, images, text and files between multiple Mac or PC computers using Logitech Options software to support seamless flows across devices.

## 35 YEARS OF PERFORMANCE-ENHANCING INNOVATION

For the past 35 years, Logitech been a global market leader delivering solutions that align to customer needs. Logitech's Mac series of products is no exception.

Thoughtful design combined with unmatched advanced features unleash potential for Mac enthusiasts, enabling the creation and delivery of high quality work - with familiar tools that are easy to use.

1. Without an Electromagnetic scroll wheel 2. 4mm minimum glass thickness 3. Battery life may vary based on user and computing conditions
