

AI Launchpad

Are you ready to set the foundation for AI service delivery success?

Making IT Personal™

Kick-start your AI initiatives by crafting a comprehensive success roadmap and identifying key areas for impactful AI adoption.

TD SYNnex Services offers a seamless approach to quickly implement, manage and optimize AI services across the enterprise, prioritizing:

Security

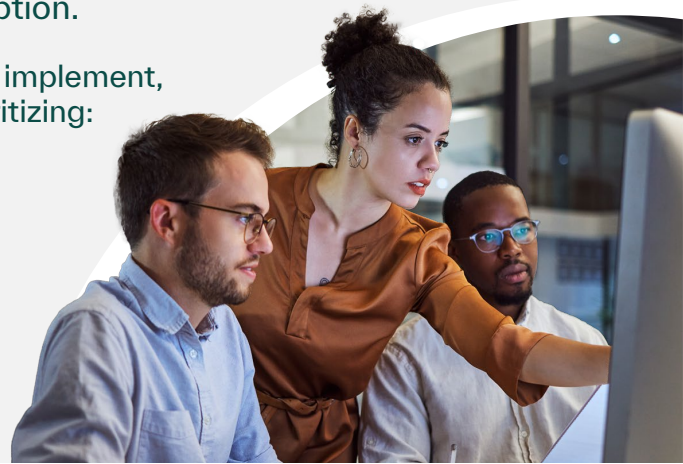

Compliance

Efficiency

Productivity

Engagement Tiers

Engagement with AI Launchpad is **flexible to your business needs** — with five program tiers, ranging from virtual to onsite workshops.

Tier	Duration	Format	Best For
T1 Executive Briefing	2 hours	Virtual or onsite session	C-suite and senior leaders new to AI/automation in need quick alignment and vision
T2 Essential Workshop	1 day	Virtual or onsite interactive workshop	Teams needing targeted ideation and a fast readiness pulse; ideal follow-up to Executive Briefing if time constraints
T3 Tabletop Workshop	2 days	In-person workshop	Cross-functional teams that want hands-on ideation; early exploration of AI use cases and readiness
T4 Prioritization Sprint	1 week	Focused engagement (remote and workshops)	Teams with multiple candidate use cases needing focus; teams that must decide what to fund first
T5 Full Maturity Assessment & Roadmap	4 weeks	Consulting engagement	Any size business seeking a full AI strategy and/or scaling from pilots to enterprise rollout

Program Deliverables

From resource allocation and strategy development to use case evaluation and adoption support, TD SYNnex Services has you covered.
