

Deal Registration

Now including Great Lakes racks!

Register your deal with Vertiv to protect your pricing and win more.

Sign up for the Vertiv Partner Program to gain access to valuable resources & incentives

Protect your deal by registering it through our easy-to-use portal.

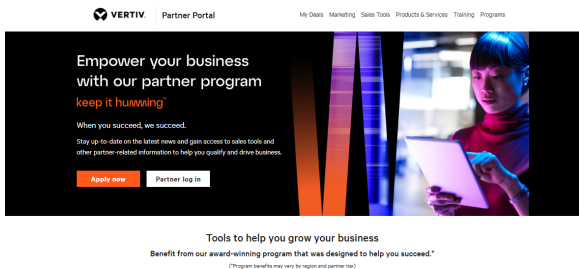

Save with valuable trade-in discounts and preferred pricing.

Vertiv's Deal Registration is a cornerstone of the Vertiv partner program. By being a verified Vertiv partner and registering your deals you'll receive price protection and valuable discounts to assure you can win more and grow your business with Vertiv.

Ready to start registering your deals?

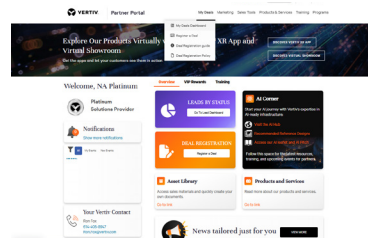

1 Register/log in to the partner portal

- Navigate to Partners.Vertiv.com.
- Click Apply Now or Partner Login if you already have a partner portal account.

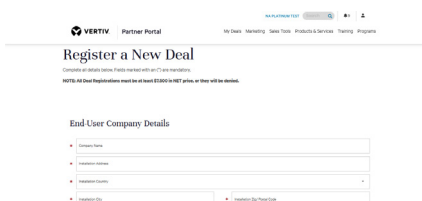

2 Access deal registration form

- Look for the orange widget on your dashboard and click on "Register a Deal".
- Or hover your mouse over "My Deals" and click on "Register a Deal".

3 Complete deal registration form

- Fill out all the fields on the form. At least one product must be selected.
- For Federal and Government Deals, model numbers must be included at the time of submission.
- The form cannot be submitted unless all required fields are completed.

4 After submitting your deal

- **Within 5 minutes** – an automatically generated confirmation email will be sent with your registration detail and registration number.
- **Within 24 hours** – an automatically generated email will be sent to inform you that your deal has been reviewed and approved or rejected.

Contact projectregistration@vertiv.com with any inquiries.
